

MIDDLE SCHOOL EXTRA-CURRICULAR ACTIVITIES ELIGIBILITY INFORMATION
2011-2012

We are excited that you are participating in our middle school activities program. We hope that you have a positive and rewarding experience. Participation in extra-curricular activities at the middle level is a privilege, not a right. Students participating in extra-curricular activities are held to high standards and will demonstrate respectful and responsible behavior at all times. Participants will be subjected to the conditions outlined below. Violations by middle school students in activities will be addressed at the building level where a student improvement plan will be devised under the direction of the building principal and appropriate school personnel.

General Rules:

- 1. Attendance**—Students must be in attendance a minimum of three (3) hours per day in order to practice and/or participate in an extra-curricular activity. If special circumstances arise, contact the activities coordinator and/or building principal.
- 2. Eligibility**—A student who is under penalty of exclusion, expulsion or suspension whose character or conduct violates the Student Code of Responsibilities (as defined below), is not in good standing and is ineligible for a period of time as determined by the principal.

Student Code of Responsibilities

As a student participating in my school's interscholastic activities, I understand and accept the following responsibilities:

- 1. I will respect the rights and beliefs of others and will treat others with courtesy and consideration.*
- 2. I will be fully responsible for my own actions and the consequences of my actions.*
- 3. I will respect the property of others.*
- 4. I will respect and obey the rules of my school and the laws of my community, state, and country.*
- 5. I will show respect to those who are responsible for enforcing the rules of my school and the laws of my community, state, and country.*

- 3. Mood Altering Chemicals**—During the calendar year, regardless of the quantity, a student shall not use, buy, sell, possess or give away tobacco, any beverage containing alcohol and/or any other controlled substance.

- 4. Racial/Religious/Sexual Harassment/Violence and Hazing**—During the school year, a student shall not be involved in hazing (an act against a student, or coercing a student into committing an act, that creates a risk of harm to a person, in order for the student to be initiated into or affiliated with a student organization, or for any other purpose) or violate the racial/religious/sexual harassment and racial/religious/sexual violence bylaws of the Minnetonka School District.

Consequences May Include the Following:

- 1. First Violation:** After confirmation of the first violation, the student will not be able to participate in any extra-curricular activities for two (2) consecutive weeks, or two (2) contests/competitions/performances, whichever is greater.
- 2. Second Violation:** After confirmation of the second violation, the student will not be able to participate in any extra-curricular activities for six (6) consecutive contests/competitions/performances, or three (3) weeks, whichever is greater.
- 3. Third and Subsequent Violations:** After confirmation of the third or subsequent violations, the student will not be able to participate in any extra-curricular activities for twelve (12) consecutive contests/competitions/performances or four (4) weeks, whichever is greater.
- 4. Accumulative Penalties:** Penalties shall be accumulative beginning with the student's first participation in an activity and continuing through the student's middle school career.
- 5. Denial Disqualification:** A student shall be disqualified from all athletic, enrichment activities for nine (9) additional weeks beyond the student's original period of ineligibility when the student denies violation of the rule, is allowed to participate and then is subsequently found guilty of the violation.

MIDDLE SCHOOL EXTRA-CURRICULAR ACTIVITIES ELIGIBILITY INFORMATION
2011-2012

I have read, understand, and acknowledge receiving the 2011-2012 Middle School Extra-curricular Activities Eligibility Information which contains a summary of the eligibility rules for Minnetonka Middle Schools. I understand that a copy of the Official Handbook of the Minnetonka School District and Minnesota State High School League (MSHSL) is on file with the high school Activities Director and/or principal and that I may review it, in its entirety, if I so choose. The MSHSL Official Handbook and bylaws are also posted on the MSHSL Web site: www.mshsl.org in the publication section for my review. I further understand that a member school of the MSHSL must adhere to all of the rules and regulations that pertain to the League activities a school may sponsor, but that local rules may be more stringent than MSHSL rules.

***Informed Consent:** By its nature, participation in interscholastic athletics includes risk of injury and the transmission of infectious diseases such as HIV, Herpes and Hepatitis B and others. Although serious injuries are not common and the risk of HIV transmission is almost nonexistent in supervised school athletic programs, it is impossible to eliminate all risk. Participants have the responsibility to help reduce that risk. Participants must obey all safety rules, report all physical and hygiene problems to their coaches, follow a proper conditioning program, and inspect their own equipment daily. **PARENTS, GUARDIANS OR STUDENTS WHO MAY NOT WISH TO ACCEPT THE RISK DESCRIBED IN THIS WARNING SHOULD NOT SIGN THIS FORM. STUDENTS MAY NOT PARTICIPATE IN A MINNETONKA-SPONSORED ACTIVITY WITHOUT THE STUDENT'S AND PARENT'S/GUARDIAN'S SIGNATURE.**

*I consent to school personnel treating injuries and authorize them to discuss those injuries with and release any applicable medical information or records relating to those injuries to coaches, school staff and other qualified health care providers as deemed necessary within their scope of practice. I further understand that in the case of injury or illness requiring transportation to a health care facility, a reasonable attempt will be made to contact the parent or guardian in the case of the student-athlete being a minor, but if necessary, the student-athlete will be transported via ambulance to the nearest hospital.

***Students:** Your participation in school activities is dependent on your eligibility. PROTECT that eligibility by reviewing with your parent(s)/guardian(s) this summary of Minnesota State High School League rules which govern your participation. Complete regulations are found in the MSHSL Official Handbook which is available at each member high school and which is also posted on the MSHSL Web site: www.mshsl.org. Please keep this sheet for reference, and if there is a question about any rule interpretation, CONTACT YOUR SCHOOL PRINCIPAL OR ATHLETIC/ACTIVITIES DIRECTOR.

***Parents/Guardians:** REVIEW the following rules with your son or daughter. Your role in stressing the value of following these rules cannot be overstated.

***Checklist for Student Eligibility** (If you cannot check all items, see your activities director)
