Physical Education:

- Blue shorts (5" inseam minimum), plain white T-shirt (name on front of each is required). These items are available during Open House and in the School Store during lunch.

Math 6 and Pre-algebra

- 3 packages 3-hole punched graph paper (1/4 inch)
- Scientific calculator

Algebra:

- 3 ring binder (1" rings) and 5-tab dividers with pockets
- 1 pack of loose leaf graph paper
- 4 AAA batteries
- Graphing Calculator recommended. We have a classroom set available for use in school. Students will be using these calculators extensively and will find it very useful to have their own at home. The model we use is Texas Instrument model TI83. The TI84 is a newer model that can be used.

Lockers:

Inside dimensions are 12"W and 10 $\frac{1}{2}$ " deep. We recommend only a single shelf, smaller trapper and backpack so lockers don't get jammed.

Teacher Wish List:

Box of Kleenex, Sanitizing Wipes
