

**Activity Name: After School Study Hall**

**Supervisor:** Neil Dejewski

**Location:** MMW/Media Center

**Contact information:** Phone: (952) 401-5315 email: neil.dejewski@minnetonka.k12.mn.us

**Schedule:** Monday through Thursday from 4:00-5:00. We will meet every week unless there is a need to cancel or students do not have school.

During study hall I will assist students to organize and complete homework in all subject areas. This time will be used to make up quizzes and tests. This time will be used as a check in to look on skyward for missing work. I will help guide students working on projects as well as assist them with their research.

Students need to be prepared to bring materials that they will require to complete work or projects. Teachers can send quizzes/tests down to me for makeup and I will return to their mailboxes when completed.
