

MMW Volunteer Guidelines

You will find teachers, staff and students extremely grateful for the time and effort you commit to volunteering. Please review the guidelines so your volunteer experience is pleasant and successful!

SIGN-IN: Please remember to sign in when entering the building. This is for the safety and security of our children. Also, in case of emergencies, it is essential that we know where you are in the building. After signing in, please remember to wear a volunteer/visitor sticker while in the building.

CONFIDENTIALITY: The foundation of all school volunteer programs is confidentiality. You may observe, read or hear about individual children while you are volunteering. Please respect the confidentiality of students by not repeating information about individual children.

DEPENDABILITY: Both teachers and children are anticipating your volunteer commitment. Please call the school office at 952-401-5300 if you will be late or absent. Many are relying on your dependability.

SCHOOL POLICIES: If you have questions about the Minnetonka School District's school policies, refer to the school office. All school volunteers are expected to observe and follow these policies.

If you have questions or problems related to your volunteer work, please direct them to one of the Volunteer Coordinators, the PTA President or the School Principal. Much of our school's success depends upon our volunteers.

We thank you for your commitment to MMW's volunteer opportunities.
