

## **Here is a list of Minnetonka Honor Society Criteria needed for acceptance**

Minnetonka Honor Society Criteria is slightly different than the National Honor Society. First, if you have been accepted into the National Honor Society at Minnetonka High School you are already apart of the Minnetonka Honor Society and do not have to reapply. Junior and Senior students that fit the following criteria, have been in the district for one year, and have not had a substance abuse infraction for one calendar year are eligible to apply.

Minnetonka Honor Society requires **Two of the Three** set criteria.

1. Student has an accumulative GPA of 3.5 or above
2. At least 6 months of Leadership in the school or community
3. At least 6 months of Community Service in the community at large

Students can be accepted for two or more of the following criteria depending on what they apply for. Faculty members and people in the community can nominate students for leadership and community service acknowledgement. Applications for all three recognitions are sent out to students with an accumulative GPA of 3.5 or above in late February. Extra Service and leadership nomination forms can be found outside the main office of the high school. Morning announcements in late February will inform students with below a 3.5 GPA interested in applying about deadlines and forms in the guidance office. Deadlines are strictly enforced. Student need to **reapply** to be apart of the Minnetonka Honor Society each year. If you were accepted as a junior you have to reapply as a senior.
