

Lindsey MacDonald

Class of 2004

Attended Clear Springs, Middle School West and Minnetonka High School.

Currently resides in several places - HI, CO, MI, MN and New Zealand

In the next year she will be working in the Sea Turtle Recovery Program in Hawaii, as an Environmental Education Instructor in Colorado, a Trip Leader for Wilderness Inquiry in Minneapolis and as a Trip Coordinator for Outdoor Adventures, a program at the University of Michigan.

What clubs, sports or activities were you a part of in high school?

I played Varsity Soccer, skied for the Varsity Nordic Ski Team and ran Varsity Track.

What is your favorite high school memory?

I worked on one of the high school court yards (planting and weeding). I enjoyed many of my classes! I also enjoyed soccer and Nordic skiing tremendously.

What did you do right after high school?

I went to the University of Michigan, where I graduated with a degree in Environmental Science

Who was your favorite teacher or what was your favorite class in high school?

I have the utmost respect for Ms. Norton, Ms. Sinkler and Ms. Nelson.

What are your current interests/hobbies?

I am passionate about protecting this precious earth that we all share. I also enjoy cycling, backpacking and cooking local/sustainable food.
