What is your favorite high school memory?

My favorite high school memory has got to be Sadie Hawkins Dance, 1989. Halle Melom and I were dating guys from St. Paul and went to Sadies with them. I got in trouble for coming home too late since I had to drop the guys off back in St. Paul and then Halle off. My dad took my license away for 2 months until he got tired of being my personal driver. It was a fun night though and worth it!

What did you do right after high school?

Went Normandale Community College

Who was your favorite teacher or what was your favorite class in high school?

Mr. Gulner, Herr Guigere and Mrs. Patrick

What are your current interests/hobbies?

Crafts and anything that is fun time with my kids
