

# Minnetonka Employees Health Insurance Update

Due to a significant increase in the number of health insurance claims filed during the past year, the Employee Health Insurance Committee is recommending to the School Board a mid-year increase in employee health insurance premiums, effective March 1. Because this will be the first double-digit increase in more than a decade for Minnetonka School District, employees and retirees are invited to learn more at an informational meeting, offered at each school during the month of February.
